Sir:

RESEND OF FACSIMILE TRANSMISSION

Applicant was informed on September 17, 2003 by Examiner Medley that the Office Action response for the present application was not received by her nor was there any record of this response in the USPTO files. The response was indeed faxed to the USPTO on June 10, 2003, and was followed by an auto-reply facsimile transmittal sheet indicated that the response was, in fact, properly received by the Office. Applicant is resending the response and cover page in addition to the auto-reply receipt herewith. Because the response was properly submitted within the statutory time limit, no fees are due. If any questions regarding this matter remain, the Office may contact the Applicants' attorney at the phone number listed below.
